Friends rely on your judgment, Aquarius

Horoscope

By Jeane Dixon

YOUR BIRTHDAY TODAY: A change of residence could assist your career. A family member's health or attitude improves. Get partner to help you develop a shrewd idea into a full-fledged business. Fabulous financial gains are possible in autumn! Refuse to let negative people waste your time. Strike a better balance between work and play. Actresses Claire Bloom and Jane Seymour, U.S. Secretary of Agriculture John Block, labor leader Leonard Woodcock, actor Harvey Korman, Chicago Cubs third baseman Ron Cey, former congressman and presidential candidate John Anderson, singer Melissa Manchester and Cesar Romero share your birthday. Also born on this date: feminist Susan B. Anthony.

AQUARIUS (Jan. 20-Feb. 18): Close friends rely on your good judgment; do not let them down. A tendency to be indecisive could undermine an important relationship. Make a decision and stick to it. Give romance more time.

PISCES (Feb. 19-March 20): A temporary sacrifice will prove worthwhile. Do not dwell on inconvenience. A family member is unusually supportive. Show your appreciation in tangible way. Forget past grievances and disappointments.

ARIES (March 21-April 19): Joining a special group puts you in touch with interesting new people and ideas. Be flexible today and ride with the tide. Spur-of-the-moment invitations are favored.

TAURUS (April 20-May 20): All goes well as long as you keep your impulses in check. Ingenuity is the key to greater success in business or romance. Show off your talents! Influential people are impressed.

GEMINI (May 21-June 20): Conflicting interests could make it difficult for you and an associate to get along. Be cautious when dealing with strangers. You need to take your time when making important choices.

CANCER (June 21-July 22): Partnerships and family matters are in the spotlight. Furthering your education will help you attain a cherished goal. Remain calm if a Scorpio questions your motives. The facts speak for themselves.

LEO (July 23-Aug. 22): Working behind the scenes will help you make headway with someone influential. Promote those people who can help you career. New friends brighten your social life. Entertain at home.

VIRGO (Aug. 23-Sept. 22): Try to make do with the materials on hand when starting a project. Someone you meet socially could help your business. Real estate ventures look especially profitable.

LIBRA (Sept. 23-Oct. 22): Information gleaned from overseas contacts helps you make business or financial gains. Protect your sources. Discretion pays big dividends. Keep entertainment costs to the minimum this evening.

SCORPIO (Oct. 23-Nov. 21): Adopt a more conservative attitude towards spending. Who you know can be more important than you think. Ask influential people for their support.

SAGITTARIUS (Nov. 22-Dec. 21): Give a cold shoulder to someone who spreads cruel gossip. Higher-ups welcome well-thought-out suggestions. Do not be afraid to speak up. A raise or promotion is likely.

CAPRICORN (Dec. 22-Jan. 19): Complete those small tasks you have been putting aside. A teenager will take your advice if approached in the right way. Be diplomatic. Say exactly what you mean when writing business letters.

The Aces

By Bobby Wolff

"Any event, once it has occurred, can be made to appear inevitable by a competent historian."
— Lee Simonson.

"I needed the diamond finesse to work," alibied a petulant South. The finesse had nothing to do with the truth; South was just engaged in writing his own history.

West led fourth best and East's jack went to South's queen. The diamond finesse lost and East returned the club nine to trap South's king. South ducked the nine, hoping that clubs were 6-2, but it didn't work. East led his last club and the defenders had five quick tricks.

South can virtually guarantee his game if he refuses to win either the first or the second club. After East is allowed to hold the first two clubs, a third club lead goes to West's ace. Now, whether the diamond finesse wins or loses, South has a cinch nine tricks. If it wins, South has only one overtrick. (With the finesse onside, South could make two overtricks by not holding up on the first round of clubs. But if the finesse is offside, South has an assured game instead of down one.)

Be careful about winning tricks too early. Often it's better to hold up sure winners in order to neutralize the enemy's suit.

THEY ONLY MET ONCE, BUT IT CHANGED THEIR LIVES FOREVER.

They were five total strangers, with nothing in common, meeting for the first time.
A brain, a beauty, a jock, a rebel and a recluse.

Before the day was over, they broke the rules.
Bared their souls.
And touched each other in a way they never dreamed possible.
